Honorable William J. Casey
Director of Central Intelligence
Central Intelligence Agency
Washington, D.C. 20505

Dear Bill:

During floor action on the Fiscal Year 1986 Defense Authorization bill, we agreed to establish an informal panel to advise the Committee on Armed Services on the complex technical issues related to the SDI program.

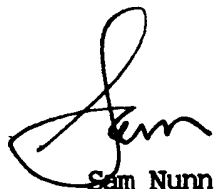

Nine distinguished Americans have agreed to serve on this panel. They are: Dr. James Schlesinger; Dr. Zbigniew Brzezinski; Dr. William Perry; Dr. Michael May; Dr. Harold Brown; General Bernie Schriever, USAF (Ret.); Admiral Bobby Inman, USN (Ret.); Dr. Hans Mark; and Dr. Edward Teller.

In order to facilitate the work of this panel, we ask that you arrange for these nine individuals to be fully briefed on Soviet programs related to strategic defense, including the Soviet space program, directed energy programs, strategic defense programs and Soviet anti-satellite programs. Briefings on these topics by the Intelligence community have been very helpful to members of this Committee and we believe the panel would benefit from them as well.

We are anxious that the panel receive these briefings as soon as possible. A specific schedule will depend on the availability of our panel members, and it will probably be necessary to make the presentations available on more than one date. Bob Bott and Bill Hoehn of our staff are prepared to work with your staff in making the necessary arrangements. They can be reached at 224-9349.

With warm regards,

Barry Goldwater
